Snorkeling with an educational twist. Before diving in, young guests will learn how snorkeling near a Posidonia meadow is the equivalent of a land safari. They will then take turns using an underwater camera to capture images of the thriving sealife!

**16:00 – 17:00 Pottery (Antipaxoi meeting room)**

Children will have a chance to create a seabed with different underwater creatures. Mar-Bella Collection’s beloved Fin, our dolphin mascot, will also be in the room to lend a helping hand.

**19:00 – 20:00 Facepainting (In front of La Terrazza Restaurant)**

Immerse yourself into the ocean with some incredible face painting creations.

**20:00 – 21:00 Mini Disco (Grasshoppers Kids Club Building)**

Are you ready to get your groove on? Fin the Dolphin has prepared an ocean-inspired playlist alongside some funky dance moves.

**21:00 – 22:00 Bingo (Lobby)**

We don’t want adults to miss out on the fun. Our animation team will be running a one-off ocean-themed quiz just for the day.

**Sunday 9th June**

**21:00 – 23:00 Finding Nemo Cinema Night (Deck)**

Our cinema nights are back with a splash! And what better way to kick off the season other than a film for the whole family to enjoy together, by the splendid Ionian Sea.
